Attention Dog Owners

The City of Melfort encourages all pet owners to please clean up after your dog if you are in the parks or using the Walking Trail. Dog waste has a strong capacity to transmit disease and can compromise the visual appeal of our parks and trails. A safe and sanitary environment helps everyone to enjoy the communities green spaces.

Thank You

PUBLIC NOTICE

In accordance with The Cities Act, Subsection 101(2), and Public Notice Policy Bylaw 03-01, public notice is hereby given that at their regular meeting on June 16, 2008, the Council of the City of Melfort will be introducing a borrowing bylaw to be eligible to apply for interest-free borrowing under the Saskatchewan Infrastructure Growth Initiative, for the purpose of servicing Whitley Street.

H. Audette, City Clerk

**Notice to All Melfort Residential Areas
Re: Waste Collection**

A motion has been introduced by City Council to retain front street waste collection on a permanent year round basis. Before council gives this motion further or final consideration at their June 16, 2008 regular council meeting, council wants to afford all residents in residential areas an opportunity to be heard.

If you have concerns or comments either in favour or in opposition to this plan, council would appreciate hearing from you. All concerns or comments are to be addressed to city council in writing and must be signed and are to indicate your civic address. From these concerns or comments the city will investigate those that can be investigated before the June meeting. All letters are to be received at City Hall no later than noon on June 12th, 2008.

***Until a final decision has been made
front street pick up will continue.***
