NOTICE
City of Melfort
ZONING BYLAW AMENDMENT

Public Notice is hereby given that at their August 10th, 2009, regular meeting, the City of Melfort Council, pursuant to Section 207 of The Planning & Development Act, 2007, will consider a Bylaw to amend the Melfort Zoning Bylaw No. 96-09, as hereinafter provided:

Intent:

The proposed bylaw will amend the definition for "Mobile Home" to ensure they comply with the CSA Code Z240 series standards. It will also define "Modular Home" and establish requirements and standards for same. Further, the proposed bylaw will add a new clause to permit the Director of Community Services to approve a variance of landscaping requirements in C3 – Shopping Centre Commercial Districts, provided that the landscape design is equivalent and meets the intent of the bylaw. This Bylaw shall come into force and take effect on the date it is given Ministerial approval.

Public Inspection:

The proposed Bylaw may be inspected by any interested person at the City Office of the City of Melfort, 202 Burrows Avenue West, Melfort, Saskatchewan, between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday.

The Council of the City of Melfort will hear all submissions regarding the proposed amendments and all persons who are present and wish to speak at 5:00 p.m. on Monday, August 10th, 2009. All written submissions received by 12:00 noon on Thursday, August 6th, 2009, will be forwarded to Council.

DATED at the City of Melfort, in the Province of Saskatchewan, this 14th day of July, 2009.
Ken Ottenbreit
Director of Planning, Development & Leisure Services
City of Melfort
(306) 752-5911

2009 Flushing and Swabbing Program

For two weeks, starting July 6th, the City will be flushing and swabbing the water distribution system in the City, which will create higher turbidity levels in the water, resulting in a cloudy appearance. This procedure helps to maintain water quality and system capacity.

Highway #6 Road Construction south of the CN Tracks will be starting in early July.
Please use caution and watch for reduced speeds.
